Theme	Sentiment	Representative Issue
1. Connectivity	negative	Escalating stability issues including freezing when switching apps.
2. Emergency Calling Reliability	negative	Repeated failure to connect to 911 despite full signal and ability to place regular calls.
3. Connectivity	negative	Intermittent Wi-Fi dropping did not occur on other devices.
4. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
5. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
6. Account Setup	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
7. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
8. Device Failure	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
9. Connectivity	neutral	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
10. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
11. Usb/External Storage Compatibility	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
12. Update	positive	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
13. Connectivity	neutral	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
14. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
15. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
16. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
17. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
18. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
19. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.
20. Connectivity	negative	Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.

Recommendations

1. Prioritize complaint (85% of identified themes).
2. Prioritize question (10% of identified themes).
3. Prioritize feedback (5% of identified themes).

Review Details & Actions

Review / Issue	Sentiment	Theme	Recommended Action
Escalating stability issues including freezing when switching apps.	negative	Connectivity	Prepare a troubleshooting guide for complaint and update macros/FAQs.
Repeated failure to connect to 911 despite full signal and ability to place regular calls.	negative	Emergency Calling Reliability	Prepare a troubleshooting guide for complaint and update macros/FAQs.
Intermittent Wi-Fi dropping did not occur on other devices.	negative	Connectivity	Prepare a troubleshooting guide for complaint and update macros/FAQs.
Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.	negative	Connectivity	Prepare a troubleshooting guide for complaint and update macros/FAQs.
Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.	negative	Connectivity	Prepare a troubleshooting guide for complaint and update macros/FAQs.
Pixel 8 Pro's Wi-Fi connection drops frequently, even when signal is strong.	negative	Account Setup	Prepare a troubleshooting guide for complaint and update macros/FAQs.
